### 27 April 2019

## Hog Neck Golf Course

Located in Easton, Maryland, Hog Neck is challenging course for low, medium, or high handicap golfers, the par 72 Championship Course places a premium on shotmaking with two nines of contrasting styles. The outward nine plays out of the woods on the first hole and immediately the golfers are faced with wide open wind-swept shots that have to navigate a plethora of bunkers and water hazards. Upon making the turn onto the inward nine, golfers find themselves faced with much longer approach shots through a seemingly never ending forest of loblolly pines to well bunkered greens.

**CLGA Members Only**
