Black Rock Golf Course

CLGA Members Only

“Black Rock Golf Course is the newest addition to great golf in Western Maryland. This course takes you on a golf journey from its opening holes that are nestled between the Shenandoah and Cumberland Valley, to its spectacular back nine with scenic views of the Appalachian Mountains.

The greens at Black Rock are bent grass, putt true, and will hold a well-struck approach shot. Several sets of tees on each hole make the course exciting to play for many levels of golfers.”
