**Queenstown Harbor Golf - River Course**

**CLGA Members Only**

The River Course is consistently rated as having some of the best golf in Maryland and the Washington, D.C. area. Reopened at the beginning of 2011 after a thoughtful and extensive renovation, several holes were moved closer to the Chester River, and all bunkering was updated to create a windswept design that mimics the natural landscape of the site, optimizes shot values, and ensures superior conditioning. Queenstown Harbor Golf is home to a world-class driving range and practice facilities featuring two putting greens, one of which is a half-acre in size, as well as a chipping green and a practice bunker.
