**Rattlewood Golf Course**

**CLGA Members Only**

Rattlewood Golf Course in Mt. Airy Maryland was acquired in 1995 from a private developer. Featuring an 18,000 square-foot clubhouse that was converted from residential use, Rattlewood is eight miles north of Damascus on Penn Shop Road just off I-70 and MD Route 27. Rattlewood is also a short drive from Monrovia, Ijamsville, Linganore & New Market in Frederick Maryland, Glenwood & Woodbine in Howard County & Sykesville, Eldersburg, Taylorsville & Westminster in Carroll County MD.

The par 72 course is average in length, and challenging. There is an interesting variety of holes offering tempting risk/reward opportunities. Rattlewood's 9th hole, a lengthy Par 5, with strategically placed bunkers both in the fairway and flanking the green, paves the way for a dog leg finish into our 18,000 square foot clubhouse for your turn stop. Among golfers, Rattlewood has a reputation for being open during wet conditions because it drains very effectively.

Rattlewood offers a full length driving range, putting and chipping greens and a full service snack bar along with a fully stocked pro shop.
