The Woodlands Golf Course

CLGA Members Only

The Woodlands takes golfers on a scenic journey through a world of tall, hardwood trees that guard the lush Bent Grass fairways and large, undulating greens of the course's enjoyable yet challenging 18 holes.

Designed by renowned golf course architect Lindsay Ervin, The Woodlands opened in 1998 to critical acclaim. Ervin himself said The Woodlands "truly ranks as my best design" and *Washington Golf Monthly* called it "the best public course in the Baltimore suburbs." *Golf Digest* has rated The Woodlands a "Four Star Places to Play Award Winner."

The clubhouse which is shared with Diamond Ridge, is ideal for golf events of any size and with its 36 holes on the property is a landing site for many double shotgun events in the region. The outdoor event pavilion is perfect for post tournament festivities and offers full capacity seating, scenic views and a scoreboard.
