Whiskey Creek Golf Club

CLGA Members Only

At the end of a mile-long drive through forest and field, Whiskey Creek Golf Club has a feeling of privacy and seclusion. Bordered by a high ridge of hardwoods and a winding, free-flowing creek, the property contains many different environments and natural features including springs, streams, stone walls, wetlands, rock outcroppings, broad meadows, pine forests and dramatic views of the Catoctin Mountains. Architect [J. Michael Poellot](#) and design consultant [Ernie Els](#), a 2-time United States Open Champion, have designed Whiskey Creek to take full advantage of its spectacular setting.
